

WARNING

E911 service may be limited or not available. Emergency calling service/E911 will not be available under certain circumstances including but not limited to:

1. Your broadband/interconnect connection has failed or is disconnected
2. Your electrical power is disrupted
3. The current location of your handset has not been registered with your service provider. E911 calls made from this device will be routed to the emergency responder associated with the physical service address that you have registered with Ritter Communications. You should be prepared to provide your physical address when calling E911. To verify or change your physical service address, contact Ritter Communications at 888.336.4249

If you are unable to immediately complete a 911 call, PLEASE USE THE EMERGENCY PHONE NEAREST TO YOU.
