## **JOURNALISM EQUIPMENT CONTRACT & SIGN-OUT**

I understand that it is my responsibility to care for any equipment I have signed out. It is my responsibility to replace or pay for equipment that is lost, stolen or damaged due to my negligence, regardless of cost.

| Date | Photographer<br>(First & Last name) | Signature | Cell # | Camera | Equipment ID | Lens/Lenses | Equipment ID | Date returned |
|------|-------------------------------------|-----------|--------|--------|--------------|-------------|--------------|---------------|
|      |                                     |           |        |        |              |             |              |               |
|      |                                     |           |        |        |              |             |              |               |
|      |                                     |           |        |        |              |             |              |               |
|      |                                     |           |        |        |              |             |              |               |
|      |                                     |           |        |        |              |             |              |               |
|      |                                     |           |        |        |              |             |              |               |
|      |                                     |           |        |        |              |             |              |               |
|      |                                     |           |        |        |              |             |              |               |
|      |                                     |           |        |        |              |             |              |               |
|      |                                     |           |        |        |              |             |              |               |
|      |                                     |           |        |        |              |             |              |               |
|      |                                     |           |        |        |              |             |              |               |
|      |                                     |           |        |        |              |             |              |               |
