

Look on the **BRIGHT** side

Staying **POSITIVE**

Attitude is everything
 Better together
 Challenge accepted
 Despite everything
 Don't count us out
 In this together
 It matters
 It's what you make it
 Just breathe
 Keep going
 Look on the bright side
 Making it count
 Mission: possible
 Nothing like a challenge
 On the plus side
 Onward
 Silver linings
 Surviving & thriving
 The important things
 in life
 The show must go on
 The year that shapes us
 This too shall pass
 We've got this

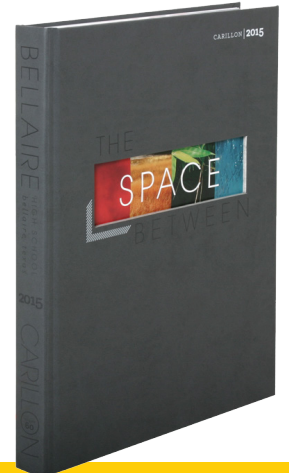

THE WHOLE STORY *good & bad*

All things considered
 As we see it
 Back & forth
 Been there. Done that.
 Cause and effect
 Days like these
 Every second counts
 Everything considered
 Filling in the blanks
 For what it's worth
 Go figure
 How do you measure
 a year?

It was the best of times, it
 was the worst of times
 Look at it this way
 Nothing's ever simple
 One for the books
 One thing leads to
 another
 Really.
 Reflect
 Plus minus
 The story unfolds
 The whole truth
 Weirdest year ever

VIRTUAL *social distancing & technology*

#alonetogether
 a/part
 Connected
 Engage. Connect. Inspire.
 Expanse
 Going the distance
 Hyperlinked
 Linked together
 It's a stretch
 Just a click away
 Six degrees of separation
 The space between
 Technically...
 The long haul
 Virtual reality

UNCERTAINTY

Absolutely unsure
 As far as anyone knows
 Believe it or not
 Can you believe it?
 Didn't expect that

Expect anything
 Expect the unexpected
 Hold everything
 It depends
 Just wait and see

Life is like a box of
 chocolates
 Not what you expected
 No expectations
 On the edge

There's not a lot of positives about being stuck in the midst of a pandemic. But one ray of hope is the potential for innovative yearbook themes.
