

HOMESTAY

LANGUAGE
SCHOOLS

A homestay is a safe and convenient place for an international student to live in with a local family while studying abroad. Whether you join your host family for dinner, family events, activities, or get their support to answer questions or practice your language skills, being part of a local family gives an authentic living experience like no other.

HOMESTAY POLICIES

EMBRACE DIVERSITY

Canada is a multicultural country. Because of this, your homestay family might have a foreign background. Please be open to embrace different cultures.

PET-FRIENDLY ENVIRONMENT

Canadian families are very pet friendly. Your homestay family might have pets. Please note if you requested to stay in a house with no pets, we will do our best to accommodate your request.

BEDROOMS TYPES

Please note that it is quite common in Canada to have a bedroom in the basement. Your bedroom will be located either in the basement or above ground (main floor or second floor).

ENGLISH WILL BRING YOU TOGETHER

Your homestay family might have more international students, but no one will speak the same language as you.

SMOKE FREE SPACES

All our homestay families do not allow anyone smoke inside their houses. If you are a smoker, please let us know before your arrival.

HOUSE RULES

All homestay families have house rules. Please talk to your homestay family about their house rules on your first day and do your best to follow them.

GUESTS

Guests and overnight guests are not allowed in your homestay unless your homestay parents give you permission.

PENALTIES

You will be responsible to pay for any damage you have caused during your stay.
