Please complete this client appropriateness assessment form, which is required in order to assess the level of your knowledge and experience of EIS investments and to determine whether EIS investments are appropriate for you. Please note that we cannot accept an application if the information is not complete and we are unable to assess your knowledge of investing in and experience of this sector.

Under the FCA's 'Conduct of Business' (COBS) rules on the promotion of Non-Readily Realisable Securities, we are required to obtain sufficient information from you in order to assess your suitability for the service or investment opportunities we provide.

Based on your answers, the Fund Manager will determine if you have the necessary knowledge and experience to understand the risks.

The purpose of these questions is not to assess whether an investment meets your financial needs or matches your attitude to risk. Should you be in any doubt, please seek specialist financial advice.

### INVESTMENT OBJECTIVES

The Enterprise Investment Scheme ("EIS") is a government scheme that provides a range of tax reliefs for investors who subscribe for qualifying shares in qualifying companies. There are currently five separate EIS tax reliefs: income tax relief; capital gains tax exemption; loss relief; capital gains deferral relief; and inheritance tax exemption.

Shares in unquoted/unlisted companies carry a higher risk than shares quoted on the main market of the London Stock Exchange. The investment is designed to be held for the medium to long term, as investments in EIS qualifying companies have to be held for at least three years in order to benefit from EIS income tax relief. It is not intended that any income or capital will be returned to investors during the three years following the issue of qualifying shares.

The investment strategy is set out in more detail in the Information Memorandum.

☐ **Please tick this box** to confirm that you are aware of and understand the investment objectives of the Enterprise Investment Scheme ("EIS") and that these are consistent with your personal financial objectives.
