If withdrawals are made, £10,000 must remain invested within the service. It will be assumed that you are a UK taxpayer and therefore you wish to seek tax reliefs. 3. Praetura Inheritance Tax Planning Service Charges Explained •

Praetura Ventures Ltd charges payable by the Investor for advised applications

Initial Charge

An initial charge of 2% is payable to Praetura from Investor subscriptions. This charge will be reflected in the number of shares issued upon investment and will therefore reduce the Business Relief available to Investors. This fee is to cover all initial legal, professional and transaction costs.

Adviser Charges & Intermediary Commission

For advised clients only, if an Investor requests that a payment is made to their financial adviser or intermediary for advice received, this will be deducted from the Investor's subscription monies.

Annual Management Charge

Praetura shall also receive an Annual Management Charge of up to 1% per annum for managing the Service. This charge is deferred until full or partial withdrawal from the service and is contingent upon the Investor achieving a minimum net compound return of 4.5% per annum on the amount invested in BPR Qualifying companies, after taking account of the deferred Annual Management Charge. Accordingly, Praetura will not achieve the full 1% Annual Management Charge unless an Investor's gross return is 5.5% per annum. Exit Dealing Fees are excluded from this calculation.

Dealing Charge

A dealing charge of 1% will be paid to the Investment Manager by the investor on the acquisition and sale of shares in the underlying companies.

VAT

VAT will be charged on all applicable fees and charged at the prevailing rate.
