If withdrawals are made, £10,000 must remain invested within the service. It will be assumed that you are a UK taxpayer and therefore you wish to seek tax reliefs. If this is incorrect, please inform us. Tax relief available will depend on your personal circumstances and any changes to the tax laws or rates of relief may negatively affect the tax efficiency of this investment.

3. Praetura Inheritance Tax Planning Service Charges Explained •

Praetura Ventures charges payable by the Investor for non-advised applications

Initial Charge

An initial charge of 3.5% is payable to Praetura from Investor subscriptions. This charge will be reflected in the number of shares issued upon investment and will therefore reduce the Business Relief available to Investors. This fee is to cover all initial legal, professional and transaction costs.

Dealing Charge

A dealing charge of 1.0% will be paid to the Investment Manager by the investor on the acquisition and sale of shares in the underlying companies.

VAT

VAT will be charged on all applicable fees and charged at the prevailing rate.

Annual Management Charge

Praetura shall also receive an Annual Management Charge of up to 1% per annum for managing the Service. This charge is deferred until full or partial withdrawal from the service and is contingent upon the Investor achieving a minimum net compound return of 4.5% per annum on the amount invested in BPR Qualifying companies, after taking account of the deferred Annual Management Charge. Accordingly, Praetura will not achieve the full 1% Annual Management Charge unless an Investor's gross return is 5.5% per annum. Exit Dealing Fees are excluded from this calculation.

4. Self Certification ●

Please complete section 5 if you are not receiving financial advice in respect of this application.

I confirm I am an individual who is classified as having a self-certified, high net worth, sophisticated investor in accordance with COBS 4.7.9 (1) R, COBS 4.7.9 (3) R or a professional investor within the meaning COBS 3.5.

Yes

5. Appropriateness Questionnaire ●

Please complete this client appropriateness assessment form, which is required in order to assess the level of your knowledge and experience of BR investments and to determine whether BR qualifying investments are appropriate for you. Please note that we cannot accept an application if the information is not complete and we are unable to assess your knowledge of investing in and experience of this sector.

Under the FCA's 'Conduct of Business' (COBS) rules on the promotion of Non-Readily Realisable Securities, we are required to obtain sufficient information from you in order to assess your suitability for the service or investment opportunities we provide.

Based on your answers, the Fund Manager will determine if you have the necessary knowledge and experience to understand the risks.

Please note that we are not allowed to commence arranging the investment of your money until we have received your completed form.

The purpose of these questions is not to assess whether an investment meets your financial needs or matches your attitude to risk. Should you be in any doubt, please seek specialist financial advice.

Please tick this box to confirm that you are aware of and understand the investment objectives of the Business Relief Scheme ("BR") and that these are consistent with your personal financial objectives.

Please state your profession (or your previous profession, if you are already retired):

INVESTMENT OBJECTIVES

The Business Relief Scheme ("BR") is a government scheme that provides a range of tax reliefs for investors who subscribe for qualifying shares in qualifying companies.

Business Property Relief is an inheritance tax ("IHT") relief. It potentially provides for a relief against IHT in respect of qualifying assets (relevant business property) in relation to both:

- Lifetime transfers; and
- In the death estate

Shares in unquoted/unlisted companies carry a higher risk than shares quoted on the main market of the London Stock Exchange. The investment is designed to be held for the medium to long term, as investments in BR qualifying companies have to be held for at least two years in order to benefit from IHT relief. It is not intended that any income or capital will be returned to investors during the two years following the issue of qualifying shares.

The investment strategy is set out in more detail in the Information Memorandum.
