

Innovative Cash Tools

Transparent cash contracts with flexible delivery location

INTL · FCStone®

EXPANDED SERVICES

TFM can help you execute on virtually all your total farm marketing needs from access to cash contracts to hedging tools, as you choose.

INNOVATIVE CASH TOOLS

Access a wide variety of cash tools, including typical elevator-based cash contracts such as min price, average price, and accumulators. Also, TFM Managed Pricing Program through partners are flexible HTAs that allow you to deliver wherever you want at your selected basis with a price built by recommendations from TFM's publishing company.
