Tourism and Recovery

This Week

In social distancing..

What is happening in tourist destinations like Portland, Charlotte, and Boston, and how different or similar it is across the country?

1. What policies do cities currently have in place regarding tourism, reopening, and recovery?
2. How has foot traffic trends changed on the national level?
3. What tourism trends are emerging as cities begin to reopen?
4. How can DMOs support recovery strategies in their respective cities?
