

InsuraGuest is pleased to Announce a Strategic Alliance with SUITELIFE

A Hospitality Provider's First Line of Defense

Hotels, assist in reducing claims costs of your Insurance Policy by inserting InsuraGuest Hospitality Liability and Blanket Accident only coverages into every reservation. InsuraGuest, which is similar to short-term renters' insurance, protects your property while addressing claims made by your guests, on a primary no-fault basis. This means you make a claim with us first!

InsuraGuest's specialized Hospitality Liability and Blanket Accident only coverages insert a layer of protection in cases such as:

- Accidental In-Room Damage
- Personal Property Theft
- Accidental Medical Expense
- Accidental Death & Dismemberment

Benefits for Your Property

Reduce Risk - As a member hotel, you provide your property with the valuable amenity of InsuraGuest protection which responds to accident and theft incurred by the guest on a primary no-fault basis. InsuraGuest integrates with the hotel's Property Management System through its proprietary API, which automatically attaches our coverages to every reservation, enabling the hotel to transfer certain liability exposures to the InsuraGuest carrier by purchasing our specialized Hospitality Liability and Blanket Accident only coverages.

Reduce Expense - Make a claim with InsuraGuest first! By transferring certain liability risks to the InsuraGuest Hospitality Liability coverages, you may lower your hotel's claim ratio and risk profile, which may decrease your hotel's General Liability premium.
