

Please bring this form with you when your child presents for his/her exam appointment.

I understand and agree that it is my responsibility to ensure my child arrives and departs safely from the test center event location, and that I am encouraged but not required to be available throughout the testing period in the event that my child finishes early or needs to be escorted out of the testing room for a break. I understand and acknowledge that Prometric staff will not escort my child during exam breaks or upon completion, even if break or common areas or restrooms are located outside of the Test Center premises.

I hereby agree to release and hold harmless Prometric and its officers, director, employees and agents from all damages, losses or claims, whether to person, property or otherwise, arising due to my child's participation in an exam appointment on Prometric property, including but not limited to arrival and departure from the test center (whether accompanied by an adult guardian or not) and the duration of the test appointment including all scheduled and unscheduled breaks. I also understand that if my child violates any of the Test Center Rules or Regulations while on Prometric property Prometric retains absolute discretion to dismiss my child from the test appointment, even if it requires terminating the exam early and there is no parent or guardian present to depart with my child, and that in such an event no refunds shall be granted and my child will have to reschedule and retake the exam at their sole cost and expense.

I acknowledge and verify by signing below that I have read, understand, and agree to the terms of this general Release as outlined herein.
