

Fannie Mae HomeStyle

From vision to creation

The Fannie Mae® HomeStyle® program from Plaza Home Mortgage® enables borrowers to purchase or refinance a home and include repairs or renovation costs in the same loan. If your borrowers are envisioning their dream home, this is the program to make it a reality.

Common HomeStyle uses:

Funds can be used to make improvements to outdated homes, correct deferred maintenance, build an addition or modernize the floor plan. It can also be used to upgrade electrical, plumbing, roofing and increase energy efficiency. Additionally, cosmetic and luxury updates like remodeling existing bathrooms and kitchens or adding a swimming pool are allowed. Borrowers can also build a garage, pool house, or a free-standing accessory dwelling unit (ADU).
