

Sponsored by  GREATER MEMPHIS CHAMBER

TOP BUSINESS PRIORITIES

- Strengthen Memphis' posture and position as business-friendly and attractive for investment.
- Engage and consult with businesses and industry before making decisions that impact their operations.
- Accelerate efforts to prepare individuals with industry specific skills and essential/soft skills to satisfy businesses' urgent need for a prepared, reliable workforce.
- Advance improvements in technology and system interactions to streamline processes and service requests for businesses.

LONGER RANGED STRATEGIC PRIORITIES

- Eliminate redundancy in government.
- Support targeted prevention and intervention strategies to improve public safety.
- Bolster efforts to minimize supply chain disruptions.
- Advocate for investments in infrastructure.
 - Secure funding to officially relaunch efforts to build a new intermodal bridge across the Mississippi River at Memphis
