### **Duplicate National E or National D License:**

Cal North does not issue a duplicate for a National E or National D license, instead please do the following: Log-on to the US Soccer Digital Coaching Center (DCC). Open your profile (this is free) and add your E and or D license information (CN does not issue a number, but you do not need a license # to complete). Once that is complete, email: [jbordley@calnorth.org](mailto:jbordley@calnorth.org) with the information above and your license will be verified. Once that is complete, you will be able to download and print a copy of that license. Additionally, you can post on this profile a pdf copy of any other certificate, diploma or license under "other qualifications" and have the same access to print anytime you wish.
