*This is not a diagnostic test and will not detect active COVID-19 infections or recent exposure. For information regarding COVID-19 and blood donation, visit:*

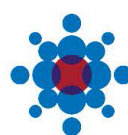

*[www.sandiegobloodbank.org/COVID19](https://www.sandiegobloodbank.org/COVID19)*

**Safety precautions in place. Photo ID required. Arrive hydrated.**

John's life mission has always been to help people. Since being diagnosed with colorectal cancer, he has dedicated himself to bring awareness for early screening and detection. As part of his treatment, John required a blood transfusion that helped him recover faster. Though he no longer needs blood, now, he encourages others to pay it forward as a blood donation advocate. [Schedule an appointment today](#) and use code **JOHN** when you register.
