# STRAWBERRY ICE CREAM

## Ingredients

400g strawberries

1 banana

120ml of milk

Juice from ½ a lemon

500ml whipped cream cheese

## Material

Knife

Bowl

Blender

Spatula

Ice cream moulds

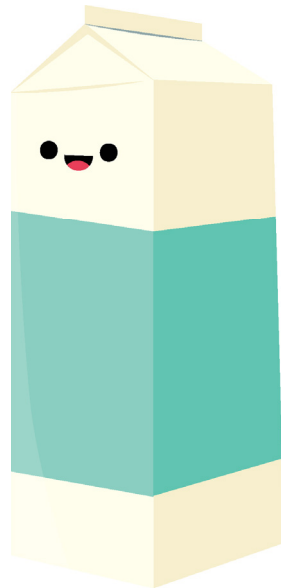

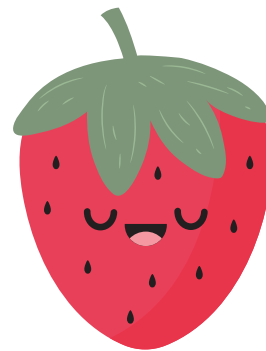

## Step-by Step

1. Peel and cut the strawberries and banana into pieces.
2. Leave the fruit in the freezer for 24 hours.
3. The following day, mix the cup of milk, the lemon juice, and the two cups of whipped cream cheese.
4. Mix in the frozen fruit and blend until it becomes thick.
5. Using the spatula, scoop out portions for the ice cream mould and place in freezer once filled.
6. Enjoy!
