# COOL OFF BARCELONA

El Molí de la Riera

---

From 7 to 13 years old

your true *English immersion* experience

## WHERE

One of the options is the "Molí de la Riera", country house, in the town of Sant Pere de Torelló (Barcelona), in the plain of Vic area. It is set in a rural environment and is surrounded by woodland, oaks and riparian vegetation.

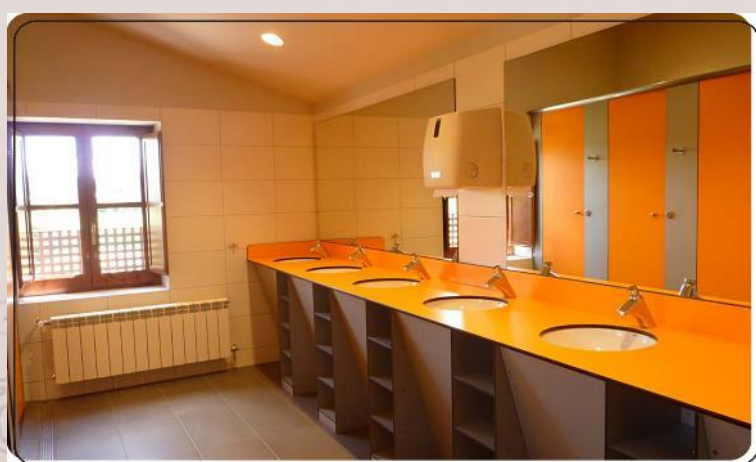

## FACILITIES

The house has been renovated and its facilities are safe and modern. What is more, the farm has plenty of space for taking part in a wide range of activities: a swimming pool, soccer pitch, basketball court, woodland area, terrace, shaded area by the river and several indoor multi-purpose activity rooms.

## TRIPS

During the camps, we will go on excursions to get to know the amazing natural environment around the houses.

This year we'll enjoy a whole day in the Sant Ponç reservoir. A place with unmatched surroundings where we'll try and keep our balance on the enormous paddle surf boards. We'll also have to be skilful and not fall off the BusBob, a banana pulled quickly across the water. An incredibly exciting experience! And to make the most of the magnificent surroundings of the Molí de Riera, we'll go on an expedition to the river fitting for only the most fearless explorers!

## WHO'S WHO

We will introduce you to all the team who will be accompanying your children during the Cool Off 2021 Summer Camps!
