

HI-TECH FASTENERS QUALITY POLICY

Hi-Tech Fasteners strives to be the preferred Distributor of Fasteners, Assembly Hardware, and Electronic Components for our customers.

We are committed to good professional practice, to product quality and a superior standard of customer service.

Our basic operating principles involve our quality objectives and goals for continuous improvement. Full understanding of customer requirements and consistently meeting or exceeding those needs are our overall quality objective.

Hi-Tech Fasteners employees, to the best of their abilities, are required to implement all quality policies, procedures and familiarize themselves with quality documentation.
