

# Employment opportunity

## Associate Director, Living With

### The role:

“Living With” (LW) is a syndicated Research Partnership offering, providing patient journey reports based on quantitative and qualitative market research with patients, providing comprehensive and cost-effective insight into the patient journey from pre-diagnosis to stabilisation.

As a “Living With” Associate Director, you will have key management responsibilities for a number of projects at a time, but you will also be looking to take your first steps in formal business development. You will write proposals to win new business, consider timescales and calculate the research cost alongside Directors. In addition, you will help generate new business through both leading and supporting marketing activities.

### Key Responsibilities

#### Compliance

- Ensure strict compliance with client, country and industry specific requirements.

#### Business objective

- Responsible for leading on client interactions (with support from the broader team) including de-briefs and query management /resolution.
- Generating business for LW – developing new leads across the Living With portfolio (in-market and pre-launch brands)
- Facilitating and organising clients meetings and de-briefs with clients to help secure repeat business
- Providing input into the marketing strategy for LW
- Involvement in pitches, company presentations and client follow up
- Work with LW Director to identify new therapy area opportunities for LW
- Work with marketing team to create evidence based marketing to promote LW capabilities more widely

Enjoy a  
successful and  
fulfilling career  
with us
