

Regularly Occurring Meetings

We invite our member companies to participate in these recurring meetings, based on your availability and interest. To be added to the invitation list for any of the meetings below, please contact:

Brian Peterson • bpeterson@isa.org

Meeting Duration: All meetings are scheduled for 1 hour. We will change the meeting duration as needed for special purposes.

ISAGCA Status Meeting

Frequency: Monthly

Purpose: Obtain status of the various ISAGCA activities including reports from all meetings described below AND allow you to provide input/feedback on these efforts

Potential Attendees: Members interested in a summary of all ISAGCA activities

NOTE: All ISAGCA members will be added to this distribution list so they can receive general emails intended for all members

ISAGCA Advisory Board

Frequency: Quarterly and As Needed

Purpose: Vote to approve ISAGCA strategies, directions, and budgets
Advisory members and others interested in ISAGCA governance activities
ISAGCA Member companies may want to have a single person represent them on this Advisory Board.

ISAGCA Awareness and Outreach Team

Frequency: Monthly

Purpose: Focuses on cultivating awareness and engagement around important cybersecurity issues with industry and stakeholders across all relevant sectors. Also serves as primary marketing arm for the ISAGCA's objectives and accomplishments, managing inbound inquiries and outbound communications, media and analyst relations, event participation, speaking opportunities, etc.

Potential Attendees: ISAGCA Awareness & Outreach (A&O) members and others interested in A&O activities

ISAGCA Training & Education Team

Frequency: Monthly

Purpose: Deliver specific global cyber workforce development initiatives with consideration to all relevant job functions and industry sectors, as well as aligning with academia and government institutions, as applicable. Develop & promote cyber training courses, web seminars and education certificates, as applicable.

Potential Attendees: Training/Education/HR representatives from ISAGCA member companies and others interested in Training activities

More 

ISAGCA IIoT Project Team

- Frequency:** Weekly
- Purpose:** Participate in development of recommendations for how to certify IIoT components and systems, starting with existing 62443 standards and certification programs. Intended audiences for these recommendations are ISA 99 (development organization for 62443) and owners of 62443 certification schemes.
- Potential Attendees:** Technical staff with IIoT knowledge

ISAGCA Cross Reference Project Team

- Frequency:** Every two weeks
- Purpose:** Participate in the effort to cross reference ISA/IEC 62443 with other standards or frameworks (e.g., ISO/IEC 27001, NIST CSF, etc.)
- Potential Attendees:** Persons who need such cross-references, who will help define priorities, use cases, approaches, and desired content; technical staff with knowledge of ISA/IEC 62443 and other standards to draft and/or review content. Note that you may also volunteer for separate drafting teams formed to draft cross-references to individual standards. Drafting teams will have an additional meeting schedule and report to the overall project team.

ISAGCA Advocacy Team

- Frequency:** Monthly
- Purpose:** Focuses on expanding and extending the adoption and use of cybersecurity standards worldwide, by creating and maintaining relationships with key stakeholder groups and agencies, organizing opportunities to work together with other organizations globally, and developing materials that help all relevant sectors better utilize standards and technical guidance.
- Potential Attendees:** Government Relations, Technical staff, and others interested in Advocacy efforts
- NOTE:** This meeting coordinates the efforts of the regional teams (APAC, EU, USA) and helps provide resources to support them.

ISAGCA Government Relations - USA

- Frequency:** Weekly
- Purpose:** Plan, prioritize, and oversee USA ISAGCA advocacy efforts, including managing lobbyist activities
- Potential Attendees:** USA Government Relations staff and others interested in USA Advocacy efforts

ISAGCA Government Relations - Europe

- Frequency:** Monthly
- Purpose:** Plan, prioritize, and oversee Europe ISAGCA advocacy efforts, including coordinating with standards groups in the EU
- Potential Attendees:** Europe Government Relations staff and others interested in Europe Advocacy efforts

ISAGCA Government Relations - Asia Pacific

- Frequency:** Bi-Weekly
- Purpose:** Plan, prioritize, and oversee APAC ISAGCA advocacy efforts, including managing lobbyist activities
- Potential Attendees:** APAC Government Relations staff and others interested in APAC Advocacy efforts
