# TCSW

## *What is TCSW?*

Twin Cities Startup Week (TCSW) is a weeklong, immersive festival featuring thought leaders from Minnesota and beyond. Through 200+ events covering all facets of business, from tech to arts and culture, we connect innovators, corporate leaders, and the startup curious.

TCSW is the place to explore Minnesota innovation, celebrate startups in our ecosystem, and be inspired to start your own endeavor!

## *Who participates?*

We believe that in every corner of Minnesota, there is a hacker, entrepreneur, engineer, artist, and builder whose efforts power the economic vitality of the state.

TCSW plays host to thousands of attendees, from founders and investors to members of the media. All entrepreneurs, innovators, and startup curious are welcome!

## *How to get involved*

There are tons of ways to get involved in TCSW! Whether it's through volunteering, hosting a track, or just bringing your friends to the event, TCSW is a community effort and we couldn't pull it off without you.
