

## **Beth Meyer**

Beth Meyer is a Senior Attorney at Techstars, a worldwide network that helps entrepreneurs succeed. Beth is also a Managing Partner at Empower Equity Partners leveraging her personal and professional experiences to support female leaders on their path to growth.

From the World Bank to international corporations, Beth has built a successful legal career advising and influencing some of the most powerful countries and companies in the world. Prior to relocating to the Twin Cities, Beth served as a corporate attorney specializing in mergers and acquisitions in San Francisco's booming tech industry.

Beth honed her negotiations expertise while advising corporate entities and investment firms on sophisticated transactional insurance in hundreds of transactions. With a deep passion for advancing human rights she has spent significant time living abroad working in education and community development.
