

## **Elaine Tymchak**

Elaine is the Founder and Executive Director of Cultivate International, a nonprofit dedicated to the empowerment of community leaders and their work in fighting poverty and injustice.

A Brazilian native with a Masters in International Development, and has over 15 years of philanthropic and community development experience. Through teaching, advocacy, and challenging the status quo, she has dedicated her life to changing how the world does charity.

An avid lover of people, knowledge, and the world's diversity of culture, she is using her talents, experiences, and networks to build a global movement through Cultivate International.
