

Jenna Redfield

Jenna Redfield is a social media strategist & coach who helps local small businesses learn how they can use social media for their B2C businesses, find new clients & grow their audience.

She founded Twin Cities Collective as a local community group and resource for small businesses, bloggers and creatives to connect with each other and learn through local workshops, a weekly podcast and a blog.

Jenna works one on one with small business owners and teaches them how to use social media marketing and also is a public speaker on topics around video, websites, instagram and podcasting.
