Your ultimate Local Search Toolkit for 2021

The pandemic has fundamentally changed consumer behavior and put local search well and truly on the map. Due to restrictions on movement, more and more consumers are realizing the ease and opportunity of online search and purchase. Individuals want a tailored search view with results that are relevant to them where they are at that very moment.

In fact, 72% of desktop or tablet users and 67% of smartphone users want ads that are customized to their location. On top of that, 82% of smartphone users are searching for businesses near them, with 90% clicking on the first set of results they see.

To win those conversions, your location-specific ads must be there at the top of the search engine results page; it’s a competitive imperative.

In this toolkit, you’ll find everything you need to know to harness the power of local search and succeed in 2021, including useful checklists and tips by industry.

By 2021, mobile devices alone will influence more than $1.4 trillion in local sales.
