## Voiceover Script Example:

Job #: VAUT072

Job Name: Stockwave Pre-Roll Script

Version: 2

Date: 1/14/2019

Whether it's overbidding on a car or bringing home a slow mover, mistakes happen.

But with Stockwave, they don't have to. Because Stockwave searches auctions across the country to find the most profitable cars for your dealership.

So you can leave sourcing mistakes to the other guys.
