

15-Gallon Portable Fuel Station

JDI-FST15

NOTABLE FEATURES

- UN/DOT approved
- Full-color retail packaging

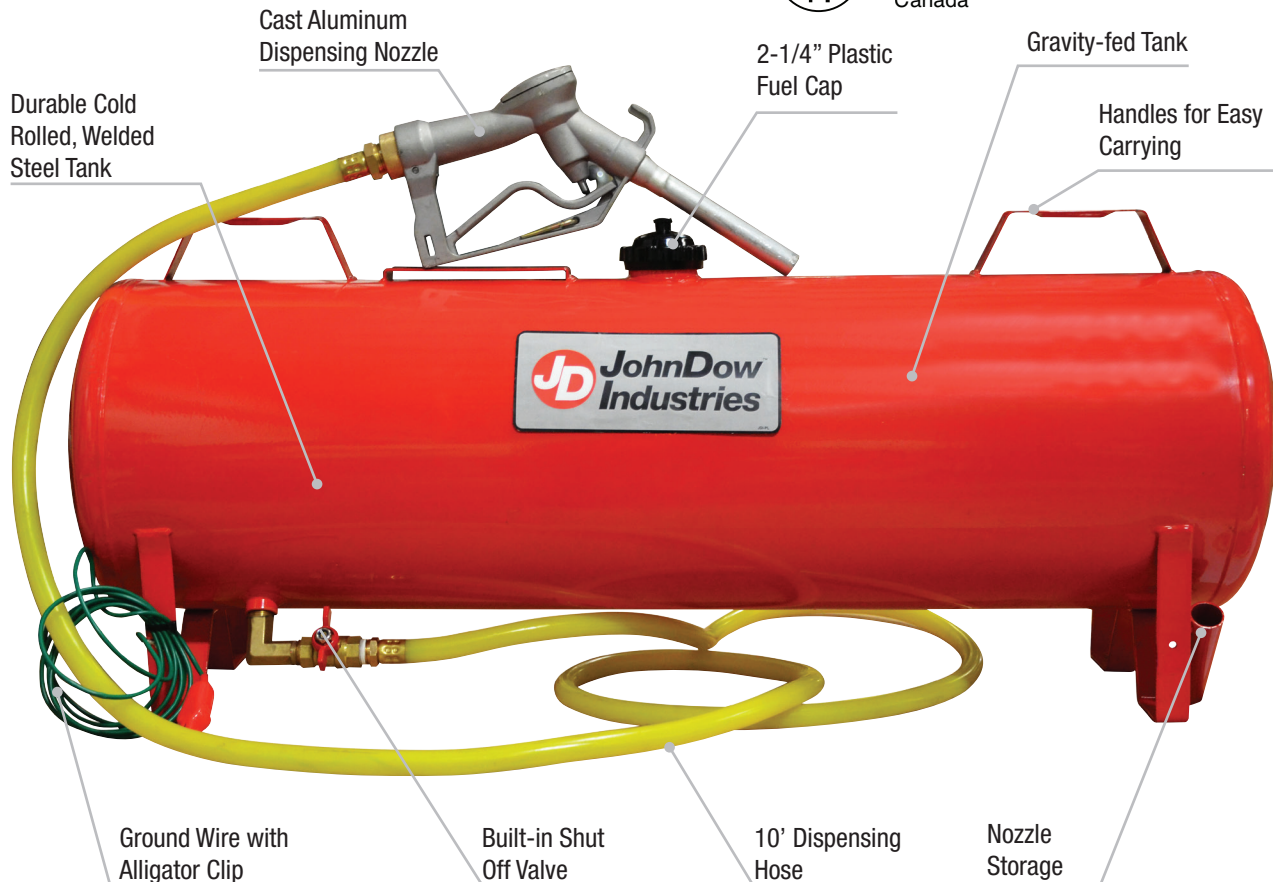

The 15-gallon Portable Fuel Station is UN/DOT approved for the transport of gasoline and to gravity dispense fuel into gas-powered portable equipment, vehicle fuel tanks or other approved containers.*

Built with safety as the number one priority, this gravity-fed Steel Portable Fuel Station has been rigorously tested for leakage, rupture, stability, abuse and endurance. Designed with the end user in mind, you can bolt this Portable Fuel Station onto a trailer for easy transport.
