

5 & 15 GALLON PORTABLE OIL & FLUID DISPENSERS

These versatile Portable Oil and Fluid Dispensers go where you go with air pressure charge. Simply "charge" the dispenser by adding compressed air pressure, then move the dispenser around the shop freely. These dispensers come in two sizes, 5-gallon and 15-gallon capacity, and are perfect for motor oil, synthetic oil, ATF and other light fluids.

Features include:

- Heavy-duty steel construction
- No continuous air supply required after pressurization
- Completely portable
- Sight tube shows fluid level
- Pressure gauge and relief valve ensure proper pressurization
- 2" spout with cap for easy filling
- Includes delivery gun with flexible spout
- 6-1/2' delivery hose
