

SOLVES PATIENT PAIN POINTS

SO YOU GET PAID FASTER WITH INCREASED PATIENT LOYALTY

REXPAY REDUCES PATIENT CONFUSION

71% of consumers are confused by an Explanation of Benefits¹

RexPay detects and explains EOBs.

Valuable because it will spot documents that resemble a bill but aren't, such as Explanation of Benefits."

70% of consumers are confused by medical bills¹

RexPay simplifies bills.

I read the bill wrong and turns out I only owed \$50, as RexPay displayed. I felt really relieved."

CONVENIENCE ENCOURAGES LOYALTY AND FASTER PAYMENTS

Up to 80% of patients would switch providers based on convenience²

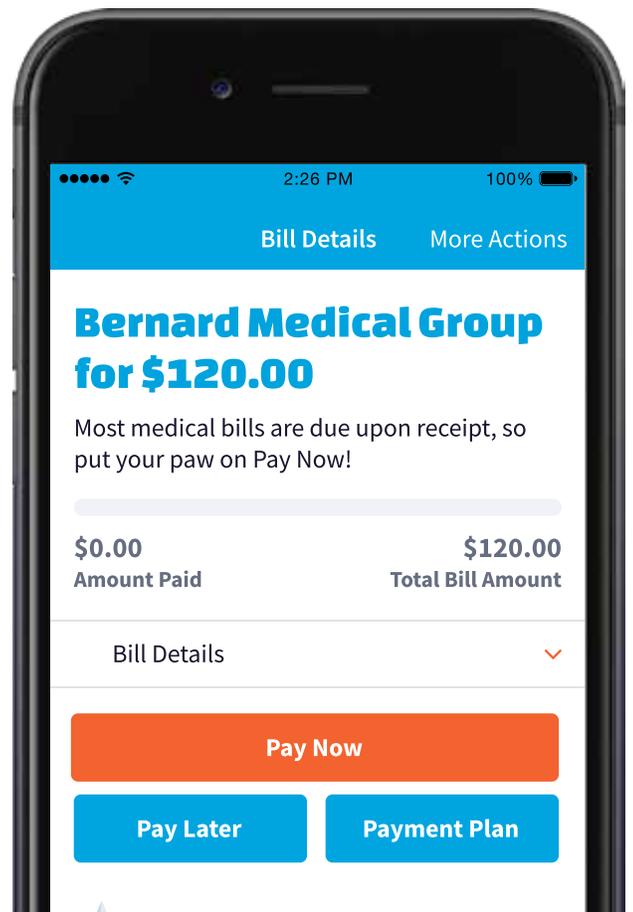

The RexPay app lets patients organize and pay all their medical bills in seconds.

I normally hold off paying medical bills because they are never convenient... Now I won't have to delay paying medical bills because it's no longer a chore thanks to this app!"

I was able to upload my bills in seconds, added my payment card and in just a couple clicks my bills were paid!

KEEPS TRACK OF BILLS

36% of patients have difficulty remembering to pay on time³

RexPay offers reminders as well as bill organization features so patients never lose track of your bill.

Super helpful for keeping track of bills”

HELPS FAMILIES MANAGE MEDICAL BILLS

RexPay helps family members and caretakers manage and pay medical bills for multiple people.

I recommend this app to anyone, it's so easy and simple. This app keeps your entire family's medical bills in one place.

LOWERS NEGATIVE EMOTIONS OF MEDICAL BILLS

Consumers fear medical bills more than illness.⁴

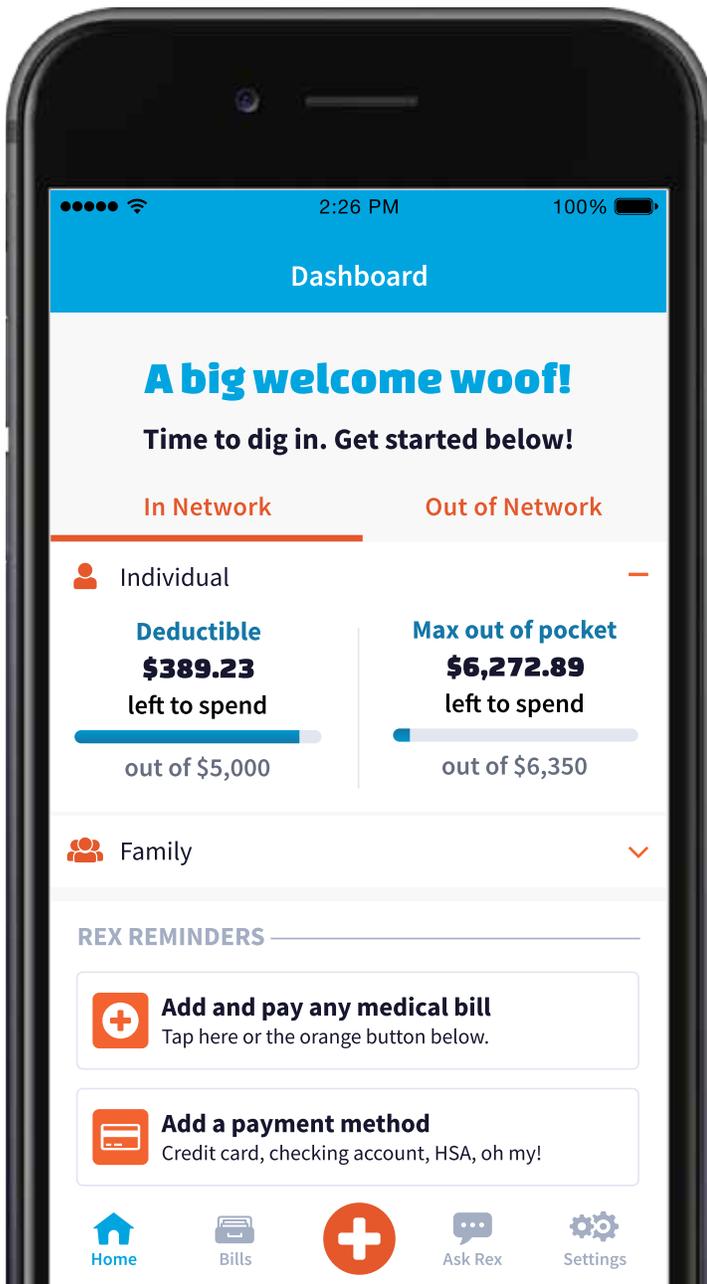

The app lays out everything perfectly and brings down the stress of paying bills.”

HELPS PATIENTS UNDERSTAND THEIR INSURANCE DEDUCTIBLE

30% of patients delay payments because they are confused about their bill or coverage³

The dashboard of this app allows me to keep track of my deductibles with ease.”

BOOSTS PATIENT SATISFACTION

71% of patients say mobile pay and billing alerts improved their satisfaction with a provider⁵

RexPay offers mobile payment options (immediate payment, scheduled payment, and self-service plans) as well as automated billing alerts via text message and push notification.

Love that it let me easily scan my bills in, and then schedule a payment or sign up for a payment plan so I don't have to think about it."

QUICKY IMPLEMENTS PATIENT FEEDBACK

92% of healthcare consumers say improving customer experience should be a top strategic priority for medical providers⁶

RexPay improves the patient experience through responsive support, consistent patient outreach, and quick implementation of patient feedback.

With the new updates coming out in the next week, this app meets all my expectations. Thanks for asking for my input and I look forward to talking about more thoughts in the near future."

THE 5-STAR RATED MOBILE HEALTHCARE WALLET PATIENTS HAVE BEEN WAITING FOR

64% would download a mobile app to pay all their medical bills¹

The only way I will ever pay medical bills again!"

Super easy to use and definitely the best way to pay medical bills!! I'm a big fan and I will definitely be encouraging others to sign up!"

I can't tell you what a relief it is to not have to call into my doctor's office and have to repeat over and over again my card number to someone to make a payment. Definitely going to keep using this app!!!"
