PRESS RELEASE TO
LOCAL NEWSPAPER

Each month, ICES selects a student who embodies the spirit of youth exchange by being an awesome exchange student. Has your student done a beautiful job of **integrating into their host family** and community? Or found creative ways to **share their culture**? Or given back to the host community by **volunteering**? Maybe your student struggled at first but has worked hard to **overcome challenges** of their exchange. There are many ways ICES students excel, so if you feel your student is awesome, please nominate them and tell us why!

HOW TO NOMINATE

Send us your **student's full name, home country, and host city/state** along with **specific reasons and examples** of why they are awesome.

Send submissions to
sotm@icesusa.org

Students may be nominated by host family, LC, or school staff. Winners are selected by a committee. To be eligible, student must currently be on program in the U.S. Submissions remain active for 60 days after which time the student may be re-nominated.
