

Starting Monday July 12, we'll be having code-related events every Monday for four consecutive weeks. Participants will choose topics and join breakout rooms.

Want to attend more than one breakout room? No problem! We will be have the same breakout rooms available every Monday from **10:00AM-11:00AM PT** until August 2.

BREAKOUT ROOM TOPICS

- ✘ How to Start A Coding Club
- ✘ How to Host A Code Event
- ✘ Intro to HTML Workshop
- ✘ Intro to Python Workshop
- ✘ Career Opportunities in CS
- ✘ Spanish Room (topics vary weekly)
- ✘ Then on final event : Show Off Your Coding Projects!

Skill Struck®

SCITECH INSTITUTE

SUMMER SERIES

Join coding experts this summer to learn a series of topics about coding. Participants will receive a free Skill Struck account!
