PROFESSIONAL BAR CLEANING

Pro Formula

Diversey

Instructions for use

- 1 Clear the bar of all items and remove loose debris.
- 2 Spray a clean cloth with Cif Glass & Multi Surface and polish all mirrors. Finish off with a paper towel for that streak-free shine.
- 3 Spray Cif Stainless Steel onto the beer taps and the drip grids, or on a clean cloth. Clean the surface and don't forget to also clean the taps and the bottom of the drip grids. Let air dry.
- 4 Spray a clean cloth with Cif Glass & Multi Surface and clean the inside of the refrigerator, the doors, the rubber seals, and the outside of the refrigerator. Let air dry.
- 5 Spray Cif Glass & Multi Surface onto the surface, or onto a clean cloth and clean the bar.
- 6 Disinfect by spraying Cif Alcohol Plus onto the surface and apply evenly across the surface with a clean cloth. Leave it to work for 1–5 mins. Then wipe off with a clean cloth or let air dry.

Unilever

Instructions for use

- 1** Clear the table of all items, such as cutlery, dishes, condiments, menu and remove all loose debris from tables and chairs.
- 2** Remove all debris under the table using a dustpan and brush.
- 3** Spray Cif Glass & Multi Surface onto the surface, or onto a clean cloth. Clean the table and pay particular attention to the edges and corners. Let air dry.
- 4** Disinfect by spraying Cif Alcohol Plus onto the surface and apply evenly across the surface with a clean cloth. Leave it to work for 1–5 mins. Then wipe off with a clean cloth or let air dry.
- 5** Using a disinfectant on the tables during the day, can cause the tables to get sticky overtime. To prevent this, make sure that before closing in the evening, all tables are cleaned with warm water and a clean cloth or paper towel.
