

Earn a \$500 Rebate When You Replace an Asphalt, Tile, or Wood Roof with DECRA Metal Roofing

Supply chain disruptions from COVID-19 have driven asphalt, tile, and wood manufacturers to increase prices and enforce strict product allocations that are wreaking havoc on job schedules.

Avoid project delays caused by supply chain disruptions by upgrading to DECRA Metal Roofing

Fully stocked inventory that is ready to ship within 72-hours after receiving a PO

27 color and profile combinations of stone-coated steel shingles, tiles, and wood shakes
