

ABOUT US

Lightning Broadband is 100% Australian-owned and locally-based, with over 10 years’ experience in providing superior internet connections.

INFORMATION ABOUT THE SERVICE

Description of the Service

Lightning Broadband uses a combination of both Fibre Network and high-speed wireless technologies to enable eligible premises to get ultra-high-speed internet connectivity.

Eligible customers can also choose to include a Voice over IP (VoIP) phone service, offering great call rates and inclusions depending on your choice of VoIP Plan at an additional Charge.

Service Availability

The Lightning Broadband service is only available within a Lightning Broadband ready service area and subject to an assessment of your premises suitability by a Lightning Broadband approved Technician.

Minimum Term

Lightning Broadband plans have a *standard **24 month** minimum term, which applies to the Broadband plan and any optional VoIP Plan.

Early termination and Minimum Charge

Cancellation Fee is the Monthly Plan Charge, Monthly Installation Charge (where applicable) and Monthly VoIP Charge (where applicable) multiplied by the number of all as yet unbilled months remaining in the Contract Term.

Contention Ratios

Our business customers benefit from a point-to-point link and a lightning fast uncontended connection to our data centre.

Broadband Speed

Customers can choose from one of our great broadband plans

- LBBS - 500 up to 500 Mbps upload/download
- LBBS - 250 up to 250 Mbps upload/download
- LBBS - 100 up to 100 Mbps upload/download
- LBBS - 50 up to 50 Mbps upload/download

Actual speeds may vary and may be slower than the maximum Lightning Broadband wholesale connection speeds.

Your Data Allowance

Lightning Broadband Business plans comes with **unlimited data**.

**12, 36 and 48 non-standard contract terms are also available, with a different fee as described on page 2.*

Installation Charges

Note our standard installation includes for a Lightning Broadband wireless receiver (Wireless CPE), standard mast and cabling to the nearest suitable internal wall location with wall plate, and connection of power supply to the wireless receiver.

Installation Charge Option	Installation Charge (\$excl-GST)
12 Months	\$600 payable upfront*
Standard – 24 Months	\$300 payable upfront*
36 Months	\$0 FREE install

**unless otherwise advised - upfront charges are payable upon installation*

Additional installation charges may apply for non-standard sites which includes those which are unusually complex, require significant additional cabling, extended mast, or located outside the capital city metropolitan areas. Your installation technician will advise you if non-standard works are required prior to installation.

Router

The Installation Charges above exclude provision of a compatible router.

You can connect with your own compatible router (NBN compatible, supporting 1000Mbps+ WAN) which will also need to be WiFi and/or VoIP enabled if you want to connect wireless devices or make use of your included VoIP services and any cabling to connect it to the wall point.

Optional VoIP Phone Plan Available

Eligible customers can also choose to include a Voice over IP (VoIP) phone service. Refer to our VoIP Critical Information Summary for details.

Cancellation Subsidiary Consequences

Regardless of Cancellation Fees, cancelling your Lightning Broadband service may also result in a cancellation of any other Lightning Broadband products you've purchased, that are only available when bundled with Lightning Broadband. Should those products have their own contract, you will be liable for their associated break fees, if applicable.

GST

All dollar values in this Critical Information Summary are exclusive of GST unless stated otherwise.
