

# Leverage more insights

Consumer behavior is complicated.  
Your insights platform shouldn't be.

Instant access to insights  
across the business

User-friendly experience  
that requires no training

Smart search powered by  
AI and machine learning

Quick to set up and  
easy to maintain

## Connect Stravito to your existing tools

External research  
providers, like  
**Euromonitor** and  
**Mintel**

Dashboards,  
like **PowerBI**  
and **Tableau**

Existing storage  
drives, like  
**Google Drive**  
and **SharePoint**

Communication tools,  
like **FB Workplace**,  
**Slack**, and **Microsoft  
Teams**

## Enterprise-grade security

- ISO 27001 certified
- Encrypted file storage
- Secure access management
- Ongoing backups

## Powering insights for global leaders

“The simplified, consumer experience that Stravito provides is crucial to keep colleagues inspired and encourage them to collaborate.”

**Nick Rich,**  
VP of Insights & Analytics
