

## Elementary Admissions Process

Thank you for your interest in our Elementary Program. Fountainhead Montessori has been serving the needs of Bay Area families since 1972. We look forward to your student continuing their education in our Elementary program.

Our Elementary program offers critical thinking skills, developmentally appropriate instruction, multicultural curriculum, multi-sensory curriculum, integrated curriculum and cooperative learning. Students actively learn within a prepared environment of attractive, carefully sequenced materials.

### Application Procedures

To be considered for our Elementary program we will need the following:

- Application, Child's Self-Portrait, and Parent Questions with the signed permission to release previous school transcript(s).
- A non-refundable assessment fee of \$150. If your student is accepted and enrolled, this fee will go directly towards tuition.
- Upon receipt of all application documents the administration will contact you to set up a half-day visit and an additional appointment for assessment. Your child will be dropped at 9am and picked up at 12pm for the visit day.

Please note that it is the parent's responsibility to supply all the required forms and information for the admission and enrollment process. Decisions cannot be made and enrollment cannot be completed without all information requested.

### Enrollment Procedures

Admissions decisions are made by a team of staff and teachers. Admissions decisions will be made within two weeks of assessment. A Financial Agreement, Enrollment Packet, and tuition information will be sent to you upon acceptance. Please return these items and payment within one week to reserve the space for your child. **Please note: When signing up for the Elementary program, you are committing through the entire school year.**
