# Stay Flexible

01

## **Keep it CMCO style**

Maintain options and be ready to change guidelines

02

## **Get clarity**

Have clear processes and determine preferences

# Work Done

03

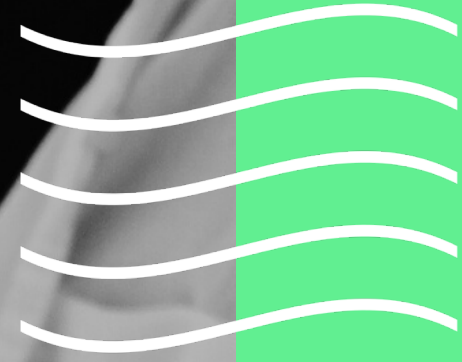

## **Results-oriented**

Change performance metrics  
and how you measure them

04

## **Adjust for reality**

WFH has its challenges and  
benefits for employees

05

# BE PREPARED

Bring the right value at the right time to your team, customers, and community.

Digitization ensures business process continuity.  
Communication is more important than ever.

Fortune favors the  
prepared mind.
