

Why join Talent Point?

It's simple, we're scaling some of the most exciting start-ups, scale-ups and tech unicorns across the UK and Europe.

...and we're having a lot of fun along the way!

We create Superstars.

We're **HUGE** on **L&D**. We have an absolute focus on developing our people to **become the very best**.

Every role at Talent Point is supported by a **Centre of Excellence**.

We put our People first.

Our team **collaborate** and **share knowledge** in our weekly **Ideas Forum & Employee Resource Groups**.

Everyone at Talent Point has a voice and a chance to have their ideas implemented.

We love Socials!

You'll be surrounded by a **fun & social team** who are always up for a good time.

With a huge emphasis on **team building**, we host monthly meet-ups, dinners and activity days.

Prioritising wellbeing and mental health has never been so important.

We all know burnout is real, so our team have the option to take a mental health day when they need some time to recharge.

We recognise that everyone is different, that's the beauty of life.

We reflect this with our
flexible benefits hub
which enables our staff
to personalise their
benefits and rewards.

We believe in supporting all our staff and their life choices.

That's why we offer **6 months full pay** leave for maternity and adoption, along with **enhanced** paternity leave. We also take pride in offering **flexibility** for returners from any parental leave.

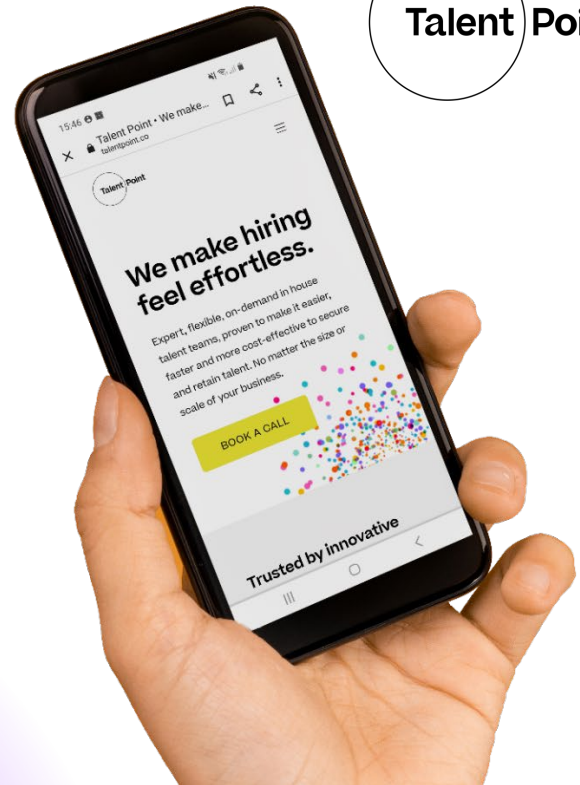

Giving back is important to us.

Our exciting & inclusive quarterly fundraising efforts have raised thousands for incredible causes, and we're always open to new ideas.
