*"Sharefaith is a great company. We have worked with them for approximately 5 years now. They offer great products for media, background worship loops, sermon videos, welcome, countdowns, etc.."*

 **Dianna H.**

*"Seriously! GREAT media & EXCELLENT response from their support."*

 **Lori W.**

*"I have been using Sharefaith for media, web and print production for years now. Graphic Design is part of my job and I am particular about the look and feel of visual products that we use in our service. I feel that quality and excellence should be consistent throughout all media in a church."*

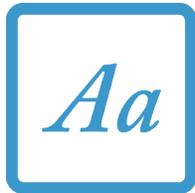

*“People only remember 10 percent of what they hear after three days, but if a relevant image is paired with that same information, retention goes up to 65%!”*
