

# CONTENT MIGRATION

Let our team do some of the heavy lifting for you! Entering content into your new site is a breeze when you have our team of experts migrate your pages, build out your speciality layouts, as well as importing sermons and events. Upgrade your coaching package and overall website creation experience by adding on this additional service and let us work for you.

## What's Involved:

- **Site Map Implementation**
- **Sermons Import (most recent 20)**
- **Events (20)**
- **Pages (20)**
- **Specialty Layouts (3)**
