Leading Specialty Healthcare for Pets

MedVet is the leading veterinarian owned and led family of specialty and emergency hospitals and urgent cares, dedicated to delivering exceptional care and a deeply supportive experience to pets and their loving families, referring veterinarians, and our MedVet team members.

For more than 30 years, our empathetic, insightful, and driven team of expert caregivers has helped us grow to be the preferred choice for high-quality, compassionate care, and we're proud to serve more than 400,000 patients each year in communities throughout the United States. You can learn more about MedVet by visiting medvet.com

Consider the doctors and team at MedVet an extension of your family veterinarian's care team. We believe in a collaborative approach to pet care and work directly with your family veterinarian in developing a treatment plan best suited for your pet's individual health needs.

Offering board-certified specialists, as well as a team of expertly trained emergency doctors and support professionals, the healthcare team at MedVet is available 24-hours a day, every day of the year, ensuring advanced veterinary care is always available when your pet needs it the most.

What is a BOARD CERTIFIED VETERINARY DERMATOLOGIST®?

Only veterinarians who have undergone an additional three years of education and training, as well as passed rigorous board examinations, are called veterinary dermatologists, or Diplomates of the American College of Veterinary Dermatology®.

BOARD CERTIFIED VETERINARY DERMATOLOGIST® represents the highest standard of care for pets with severe skin and coat concerns.
