# MedVet Mahoning Valley is now MedVet **Urgent Care**

**Medical Director:**  
James C. Vogt, DVM,  
DACVS-SA

**Hospital Director:**  
Sandy Post, RVT,  
VTS, (CP-C/F)

**Location:**  
Girard, OH

**Joined MedVet:**  
2017

Urgent Care offers patients a skillful evaluation of those unexpected, non-critical needs when their primary veterinarian is unavailable, and offers immediate care for non-life-threatening conditions.

This transition is to better serve the pets, their loving families, and our veterinary community in Mahoning Valley and the surrounding areas. The same expert, compassionate team is providing the exceptional care and service you've come to rely upon. Urgent Care ensures our shared patients with non-critical, non-life-threatening injuries and illnesses can Get **In**. Get **Out**. Get **Better**.

## Highlights

Transitioned to Urgent Care

Welcomed Evanne M. Thompson, DVM,  
Emergency Medicine Veterinarian

MedVet Urgent Care in Mahoning Valley is open  
12:00 pm – 10:00 pm, seven days a week, 365  
days a year. For more information, we encourage  
you to call us at 330.530.8387.

Get **In**. Get **Out**. Get **Better**.

# MedVet Pittsburgh

## Highlights

# MedVet Toledo

## Highlights

**Medical Director:**  
Barbara Buford, DVM

**Hospital Director:**  
Jeanna Beck

**Location:**  
Toledo, OH

**Joined MedVet:**  
2015

Our team of experienced doctors and compassionate nursing team are available 24-hours a day, 365 days a year. In addition to Emergency Medicine, we also offer Radiology.

Celebrated Dr. Barbara Buford's 20th Anniversary!  
(Emergency Medicine Veterinarian and Medical Director)

Welcomed Jenna N. Badenhop, DVM,  
Emergency Medicine Veterinarian

Expanded technician team and provided  
traveling technicians to other MedVet  
locations to support during shortages

Transitioned to ezyVet system

Adopted a highway for community  
service opportunity

In 2021, MedVet Toledo made the difficult decision to close our ER during daytime hours for Tuesdays and Wednesdays to support the wellbeing of our team during a national doctor shortage. With this adjustment, we continued to provide care to pets while maintaining consistent hours of availability to best serve you and our shared patients.

We are grateful for the opportunity to continue to deliver collaborative, comprehensive care to thousands of pets in our community. If you have a patient with a condition requiring our services, we encourage you to call MedVet Toledo at 419.473.0328.

# 2022 Continuing Education

**Join us for virtual (and in-person) continuing education events throughout the year!**

To learn more about CE opportunities provided by MedVet, scan the QR code or visit our website to see our calendar of events:  
<https://www.medvetforpets.com/veterinarians/continuing-education/>

## We also offer On Demand CE.

Our library of available On Demand CE will continue to grow throughout 2022 with the addition of new courses for veterinarians and technicians to earn RACE-approved credit hours.

Scan the QR code or visit our website to view our On Demand CE opportunities: <https://info.medvetforpets.com/on-demand-continuing-education-for-veterinary-professionals>

## 2021 CE Highlights

- More than 50 CE events were held by MedVet in 2021
- More than 125 RACE-approved CE credit hours were provided by MedVet
- More than 6,000 attendees joined MedVet virtual CE events from more than 30 states and 10 countries
