ALTERNATE COURSES

Please list **two courses** to substitute for elective courses.

1 -

2 -

* SEMESTER COURSE

Every effort will be made to fulfill your requests; however, you may have to make a choice between conflicting courses.

AL-A-CARTE AND PART-TIME OPTIONS AVAILABLE

Lehman offers homeschool parents a-la-carte options to allow you to supplement with courses like advance science, math, and STEM which are often difficult to provide at home. In addition, you can choose College Credit Plus (CCP) courses that are offered on-site providing both high school and college credit at a lower cost than taking the same course at the local college while still in a high school environment.
