KIP Color Series

KIP 650

Multi-touch Color Print System

The compact KIP 650 network print system features smart workgroup performance that produces excellent toner image quality with pinpoint accuracy and game changing productivity. KIP 600 Series systems feature KIP's exclusive Contact Control Technology. The KIP 600 Series with CCT Technology delivers reliability that surpasses expectations in a sleek compact design that requires 25% less space. The 12.1" true smart tablet function touchscreen offers a full range of connectivity and intuitive navigation that keeps you in sync with how you want to work.

System Features

- 6 D size prints per minute
- 360 prints per hour
- 2 integrated media rolls
- KIP System K Software Suite
- 600 x 2400 dpi resolution
- Integrated touchscreen
- PC & web based submission tools
- Advanced user management
- Low operational costs
- Minimal operator training
- Energy saving technologies

KIP 650 - (2) Roll | 6 D PPM | 360 Prints Per Hour

Item Number	Product	MSRP

EQAC070	Rear Print Receiving Tray *May be used in conjunction with top stacking	\$695
EQAC071	Original and Print Receiving Tray	\$995
MACH1200S	KIP 1200 Auto Stacker (Includes Print System Connection Kit)	\$1,900
EQACCACKIT	Common Access Card (CAC) Identification device used for DoD authentication	\$1,995
PPEHDKITK	Removable Secure Hard Drive Connection Kit	\$290

APPLICATION / SOFTWARE OPTIONS

DIGPDF-7170K	PDF Format Printing Keycode - Includes support for Postscript levels 1, 2 & 3, PDF 1.7, sets printing, collation, multi page support, image sizing & scaling, recall, viewing, file conversion & unlimited site license.	\$795
K1AKC00070	KIP Accounting and Cost Center - The KIP Accounting Center consolidates control of user data and printing rules for all Copy, Print and Scan activities. KIP Accounting includes (RBAC) Role Based Access Control for a smarter way to apply rules for specific user accessibility assigned by the system administrator. The KIP Cost Center application retrieves extensive log files directly from KIP Systems and automatically generates production reports for user, project and department level accounting data.	\$595

KIP 71 SERIES TONER

Item Number	Product	MSRP
Z340970010	KIP 71 Series Toner - 2 x 400 gram cartridges	\$245

KIP 71 SERIES (2) Roll

Multifunction Single Footprint System

The cloud connected productivity of the KIP 7170 system is designed to satisfy the most demanding needs of the decentralized workforce. The KIP 7170 easily integrates into the daily workflow with a range of simple to use applications that allows users the flexibility to create, manage and distribute projects with confidence. The best in class rating and proven power of the KIP 7170 also make it the ideal solution to support the print, copy and scan demand in a centralized print environment.

System Features

- 4 or 6 D size prints per minute
- 240 or 360 prints per hour
- 2 integrated media rolls
- KIP System K Software Suite
- 600 x 2400 dpi resolution
- Integrated touchscreen
- PC & web based submission tools
- Advanced user management
- Low operational costs
- Energy saving technologies

KIP 71 SERIES - (2) ROLL | 4 D PPM | 240 Prints Per Hour Includes Start-Up Toner - 2 x 400 gram cartridges

Item Number	Product	MSRP
SYS7172K4	2 Roll Multifunction System	\$17,600

KIP 71 SERIES - (2) ROLL | 6 D PPM | 360 Prints Per Hour Includes Start-Up Toner - 2 x 400 gram cartridges

Item Number	Product	MSRP
SYS7172K6	2 Roll Multifunction System	\$19,200

KIP 71 SERIES PRINTER OPTIONS

EQAC070	Rear Print Receiving Tray *May be used in conjunction with top stacking	\$695
EQAC071	Original and Print Receiving Tray	\$995
MACH1200S	KIP 1200 Auto Stacker (Includes Print System Connection Kit)	\$1,900
EQACCACKIT	Common Access Card (CAC) Identification device used for DoD authentication	\$1,995

KIP 71 SERIES TONER

Item Number	Product	MSRP
Z340970010	KIP 71 Series Toner - 2 x 400 gram cartridges	\$245

KIP 75 SERIES

KIP 7570 | KIP 7580

The innovative space saving design of the KIP 75 Series with top stacking delivers increased speed, impeccable b&w print quality, setting new performance standards to easily meet project timelines while reducing cost. High Definition Print Technology delivers rich expressive black density with advanced grayscale and fine line enhancement. KIP Smart Print & Scan are flexible approaches to delivering print and scan services – one that responds to mobile business needs by providing a driverless cloud solution.

System Features

- 8 or 10 D size prints per minute
- 480 or 600 prints per hour
- 2 or 4 integrated media rolls
- KIP System K Software Suite
- 600 x 2400 dpi resolution
- Integrated touchscreen
- PC & web based submission tools
- Advanced user management
- Low operational costs
- Energy saving technologies

KIP 7570 PRINT SYSTEM - 10 D PPM | 600 Prints Per Hour Includes Start-Up Toner - 2 x 600 gram cartridges

Print systems include integrated top stacking. Additional production stacking options available in the 75 Series options section.

Item Number	Product	MSRP
SYS7572KP10	2 Roll Network Print System with integrated top stacking print tray	\$22,250
SYS7574KP10	4 Roll Network Print System with integrated top stacking print tray	\$24,250

KIP 7580 MFP SYSTEM - 8 D PPM | 480 Prints Per Hour | Includes Start-Up Toner Includes Start-Up Toner - 2 x 600 gram cartridges

Multifunction print systems include integrated CIS color scanner & top stacking. Additional production stacking options available in the 75 Series options section.

Item Number	Product	MSRP
SYS7582K8	2 Roll MFP System with CIS Scanner and integrated top stacking print tray	\$23,000
SYS7584K8	4 Roll MFP System with CIS Scanner and integrated top stacking print tray	\$25,000

KIP 7580 MFP SYSTEM - 10 D PPM | 600 Prints Per Hour | Includes Start-Up Toner Includes Start-Up Toner - 2 x 600 gram cartridges

Multifunction print systems include integrated CIS color scanner & top stacking. Additional production stacking options available in the 75 Series options section.

Item Number	Product	MSRP
SYS7582K10	2 Roll MFP System with CIS Scanner and integrated top stacking print tray	\$26,000
SYS7584K10	4 Roll MFP System with CIS Scanner and integrated top stacking print tray	\$28,000

KIP 75 SERIES PRINTER OPTIONS

MACH1200S	KIP 1200 Auto Stacker (Includes Print System Connection Kit)	\$1,900
EQACCACKIT	Common Access Card (CAC) Identification device used for DoD authentication	\$1,995
PPEHDKITK	Removable Secure Hard Drive Connection Kit	\$290

APPLICATION / SOFTWARE OPTIONS

DIGPDF-7570K	PDF Format Printing Keycode - Includes support for Postscript levels 1, 2 & 3, PDF 1.7, sets printing, collation, multi page support, image sizing & scaling, recall, viewing, file conversion & unlimited site license.	\$1,025
K1AKC00070	KIP Accounting and Cost Center - The KIP Accounting Center consolidates control of user data and printing rules for all Copy, Print and Scan activities. KIP Accounting includes (RBAC) Role Based Access Control for a smarter way to apply rules for specific user accessibility assigned by the system administrator. The KIP Cost Center application retrieves extensive log files directly from KIP Systems and automatically generates production reports for user, project and department level accounting data.	\$595

Item Number	Product	MSRP
Z440970010	KIP 75 Series Toner - 2 x 600 gram cartridges	\$290

KIP 79 SERIES

KIP 7970 | KIP 7980 | KIP 7990

The KIP 79 Series print systems accelerate print production possibilities with consistent speed productivity. High Definition Print Technology delivers rich expressive black density with advanced grayscale and fine line enhancement. The cloud connected KIP 79 Series is the most productive b&w print system in its class, delivering cost effective operation, increased hourly productivity, daily reliability and long term performance that makes this system the perfect solution for centralized and decentralized production environments.

System Features

- 14 D size prints per minute
- 840 prints per hour
- 4 integrated media rolls
- KIP System K Software Suite
- 600 x 2400 dpi resolution
- Integrated touchscreen
- PC & web based submission tools
- Advanced user management
- Low operational costs
- Minimal operator training
- Energy saving technologies

KIP 7970 PRINT SYSTEM - 14 D PPM | 840 Prints Per Hour Includes Start-Up Toner - 2 x 700 gram cartridges

Print systems include integrated top stacking. Additional production stacking options available in the 79 Series options section.

Item Number	Product	MSRP
SYS7974KP14	4 Roll Network Print System with integrated top stacking print tray	\$29,000

KIP 7980 MFP SYSTEM - 14 D PPM | 840 Prints Per Hour Includes Start-Up Toner - 2 x 700 gram cartridges

Multifunction print systems include integrated CIS color scanner & top stacking. Additional production stacking options available in the 79 Series options section.

Item Number	Product	MSRP
SYS7984K14	4 Roll MFP System with CIS Scanner and integrated top stacking print tray	\$33,000

KIP 7990 MFP PRODUCTION SYSTEM - 14 D PPM | 840 Prints Per Hour Includes Start-Up Toner - 2 x 700 gram cartridges

Production Multifunction print systems include the KIP 2300 CCD color scanner. This configuration requires the selection of a production stacking solution.

Item Number	Product	MSRP
SYS7994K14	4 Roll Production System with CCD Scanner and integrated top stacking print tray (Dual Footprint)	\$41,000

* 7990 with Folder (KIPFO2879) requires a dual footprint configuration. Please order KIP Scanner Stand item # Z298080030.

* 7990 as a single footprint requires a rear stacking option, order item # MACH1200S

KIP 79 SERIES PRINTER OPTIONS

MACH1200S	KIP 1200 Auto Stacker (Includes Print System Connection Kit)	\$1,900
EQACCKIT	Common Access Card (CAC) Identification device used for DoD authentication	\$1,995

Accessories

KIP 2300

Production Color and B&W Scan System

A stand-alone scan to file system with high resolution image quality and production speed scanning for document archival. Face up or face down stream feed scanning for standard documents or board function for mounted originals up to 0.6" thick. Advanced CCD (Charge Coupling Device) image capture up to 600x600 DPI with USB 3.0 Superspeed connectivity.

Key KIP ImagePro Software Features:

- Color/grayscale/b&w image capture
- Color and b&w file formats: JPEG, single and multipage PDF/PDF-A/TIF, DWF, Cals Group 4
- Connect to KIP System K color and b&w MFP's and Printers for copy and print
- **Standard Mode:** Scan Quality Presets, Auto Deskew
- **Expanded Mode:** Professional Color Editor and Correction Features, Image clean up capabilities using Digital Dropper with black point/white point, Rapidly rename files post scanning, High Definition Viewer with Advanced Area of Interest

System Features

- 600x600 dpi image capture resolution
- 1 bit b&w, 8 bit gray or 24 bit color depth
- Scan speeds up to 12 ips in b&w and up to 6 ips in color
- Advanced CCD camera based image capture, no warm up time
- USB 3.0 Super Speed Data Transfer
- Face-up/face-down document scanning
- Image capture area up to 36" wide
- Real Time Thresholding Technology (RTT)
- Energy program and RoHS Approved

KIP 2300 SCANNER

Item Number	Product	MSRP
SYS2300IP	KIP 2300 CCD Scanner includes System K Image Pro software for color and b&w scan to file. Connect directly to System K 2.0 Printer or via network for Copy and Print functionality.	\$13,995

KIP 2300 SCANNER OPTIONS

Z298080030	KIP Scanner Stand includes an integrated PC storage compartment with Monitor and Keyboard attachment.	\$995
------------	-------------------------------------------------------------------------------------------------------	-------

PC REQUIREMENTS FOR KIP SCANNER

KIP Scanning systems require customer supplied PC with the following specifications:

- Intel Pentium or i5 2.x Ghz or faster processor
- Windows 7 or 10, 32 or 64 bit OS
- 250 Gb or larger Hard Disk Drive
- 4 Gb of RAM or higher

KIP 720

Convenience Color and B&W Scan System

The KIP 720 stand-alone color and b&w scanner incorporates the latest in document imaging technology for accurate, high quality scans. The KIP 720 scanner delivers large-format scanning convenience with quick scanning speeds and image accuracy. The KIP 720 (Contact Image Sensor) technology scanning method enables high resolution, high speed image capture with energy saving operation in a light, compact and portable design.

Key KIP ImagePro Software Features:

- Color/grayscale/b&w image capture
- Color and b&w file formats: JPEG, single and multipage PDF/PDF-A/TIF, DWF, Cals Group 4
- Connect to KIP System K color and b&w MFP's and Printers for copy and print
- **Standard Mode:** Scan Quality Presets, Auto Deskew
- **Expanded Mode:** Professional Color Editor and Correction Features, Image clean up capabilities using Digital Dropper with black point/white point, Rapidly rename files post scanning, High Definition Viewer with Advanced Area of Interest

System Features

- 600x600 dpi image capture resolution
- 1 bit b&w, 8 bit gray or 24 bit color depth
- Scan speeds up to 5 ips in b&w and up to 2 ips in color
- Enhanced CIS scan technology, no warm up time
- Compact and lightweight
- USB 2.0 Data Transfer
- Face-up document scanning
- Image capture area up to 36" wide
- Real Time Thresholding Technology (RTT)
- Energy program and RoHS Approved

KIP 720 SCANNER

Item Number	Product	MSRP
SYS720IP	KIP 720 CIS Scanner includes System K Image Pro software for color and b&w scan to file. Connect directly to System K 2.0 Printer or via network for Copy and Print functionality.	\$6,995

KIP 720 SCANNER OPTIONS

Z298080030	KIP Scanner Stand includes an integrated PC storage compartment with Monitor and Keyboard attachment.	\$995
EQAC054	KIP 720 Scanner Rear Original Stacking Tray	\$148

PC REQUIREMENTS FOR KIP SCANNER

KIP Scanning systems require customer supplied PC with the following specifications:

- Intel Pentium or i5 2.x Ghz or faster processor
- Windows 7 or 10, 32 or 64 bit OS
- 250 Gb or larger Hard Disk Drive
- 4 Gb of RAM or higher

KIP 2800

KIP Folding Systems

The KIPFold folding systems are engineered for folding with seamless integration to the KIP print systems. Automating large document finishing by providing folding and stacking in an efficient and compact design. Folded document packets are crisp, professional and ready for distribution.

System Features

- Automatic title block detection
- Automatic fold by page size
- Customized fold presets
- Advanced technical interface
- Full bi-directional communication
- Superior job recovery functionality
- Folds metric & imperial standard sizes
- Portrait and landscape packet styles
- Integrated flat stacking
- Offline manual folding
- Optional unlimited length fan fold

KIPFOLD 2800

Item Number	Product	MSRP
MACHF02880	KIPFold 2800 for KIP 800 Series Systems	\$29,800
MACHF02890	KIPFold 2800 for KIP 900 Series Systems

SPECIAL SERVICES (Services required that are not covered by standard freight price)

FREIGHT RATE

KIP Forklift Delivery Service	By Quote
Two men pick up and/or delivery	\$145
Lift gate	\$100
Remove dunnage	\$75
Uncrate	\$75
Inside delivery	\$55
Pallet Jack	\$55

- KIP America freight charges reflect 3 to 10 days standard ground transportation with dock high delivery to a specified location within the continental United States.
- Any special freight requirements or requests not included in the above pricing will be provided on a quote basis by contacting KC3@kipamerica.com.
- For full inside delivery to an end user location, KIP recommends the below additional freight items be ordered
 - 71 Series – Lift gate truck, pallet jack, inside delivery, uncrate, remove dunnage
 - 75/79 Series – Lift gate truck, pallet jack, inside delivery, two men, uncrate, remove dunnage
 - 600 Series – Lift gate truck, pallet jack, inside delivery, two men, uncrate, remove dunnage
 - 800 Series – Lift gate truck, pallet jack, inside delivery, two men, uncrate, remove dunnage
 - 900 Series – Lift gate truck, pallet jack, inside delivery, two men, uncrate, remove dunnage
- If the uncrating service is ordered for the KIP 970, KIP 980, KIP 990, KIP 860, KIP 870, KIP 880 or the KIP 890 printer, the two men, pallet jack & inside delivery service may also be required.
- All KIP Printer Systems are shipped with a roll off crate design. More information on the roll off crate design is available at www.kip.com.
- Contact KIP regarding delivery up or down one or more stairs for a quote.
- Contact KIP for shipping charges to Alaska, Hawaii or any location outside of the continental United States.
