

ChatroomRules

The ForexVox chatrooms are designed to bring like-minded traders together and will be constantly monitored and moderated. By entering the Chatroom, you accept the terms below and agree that you have read and understood our Risk Warning, this Code of Conduct and Terms of Service.

The ForexVox chatrooms are a traders' networking venue for the purpose of information exchange only. **Nothing** mentioned by voice, chat, or in text chat constitute trading advice or the opinions of the firm.

Information taken from here is strictly at your own risk. You should consult your financial advisor before placing any trades. All trade examples presented should be considered as purely hypothetical. Please limit your comments in the room to the scope of the Chatroom Rules. If you have technical problems or complaints including, but not limited to, the actions or behaviour of other users, please post in the Community Chatroom or contact us at info@forexvox.com

Any subscription to paid content is deemed as research and therefore is not permitted for redistribution outside of ForexVox.

Room Etiquette

- Offensive and/or abusive language, remarks, or offensive jokes are not tolerated.
- Offensive user nicknames are not permitted.
- We request all room members respect one another at all times.
- We expect Chatroom users to engage in meaningful, relevant and constructive discussion.
- No soliciting or advertising in any form.
- Private transactions, either of a monetary or otherwise nature, are not tolerated.
- No pornography or conduct that constitutes a criminal offence.
- No mention of profit and losses as a monetary value.

Breaking the Chatroom rules may lead to your exclusion from the group and your access being removed under the sole discretion of ForexVox without warning.

Upon entering the Chatroom, you agree to these terms and conditions and are fully liable for your own actions and comments if you do not adhere to them. ForexVox is not liable for any disputes between traders and/or any third-party.

By entering the Chatroom, you accept the terms below and agree you have read and understood our Risk Warning, Code of Conduct and Terms of Service.

By subscribing to a chat room you acknowledge and accept that the information was given by the individual(s) to whom you have subscribed does not constitute advice. The following of trading signals or trading levels provided within the chat room is done so entirely at your own risk.
