

# Extend YOUR Executive MBA with a Virtual Classroom

Today, leading Executive MBA programs continue to evolve to stay one step ahead. From recruiting busy professionals to building your global network, the way you support students to transform their careers through training progresses with the ever-changing environment in which we live. Discover a better way to recruit and deliver your Executive MBA program to:

- Increase your recruitment rates
- Connect students to the way they work
- Improve virtual collaboration opportunities
- Easily capture feedback throughout the program
- Extend the reach of your physical classroom

## Powering Executive MBA Programs

Modern Executive MBA programs are designed to truly accelerate an individual's career growth and that transformation happens within an environment where they can connect and create new relationships both in-person and virtually. Discover a cost-effective, flexible solution that can be leveraged for a wide range of student classroom delivery including:

- Virtual Classroom
- Hybrid Classroom
- Tutoring
- Assignment Reviews
- Real-time Collaborative Spaces
- Share and present course materials
- And more...

## Introducing QuadC for Executive MBA Programs

QuadC for Executive MBA Programs is the most flexible platform that enables you to run your MBA programs to quickly evolve and adapt to students' expectations and learning trends.

### Key Platform Features:

#### Virtual Classroom

We put the cohort group at the heart of our solution. Manage your entire program from start to finish with everything easily tracked and managed in one place.

- Class schedule
- Files, notes, videos, slides, chat
- Collaborative whiteboard

#### Assignment Reviews

Assignments are systematically sent to academic advisors and they can effectively identify areas of improvement and offer guidance to students.

- Individual & Groups
- Virtual
- Calendar Mgmt

#### Tutoring & Mentoring Support

Help get your students up to speed before classes begin to ensure they are successful from day one. Then include coaches, tutors and advisors into your programming as needed.

- 1:1 Private Tutors, Coaches, Advisors
- Outsourced Tutors (if needed)
- Alumni Collaboration (future)

#### Video Conferencing

Deploy a secure, cloud video communications platform supporting 1:1 and 1-to-many, up to 100 participants, in a virtual classroom. Ideal for larger training and group collaborations.

- Easy to use and set up
- Share and present files
- Secure, cloud-based

### Feedback

Deploy an online survey system to help students, faculty, staff, and guest lecturers to submit reports about key areas you require to gain further insights.

- Net Promoter Scores
- Program Feedback
- Mid-Year Reviews

### 3rd Party Integrations

Easily connect to your other tools to ensure there is no duplication in investments and data entry. If you need something custom, just ask!

- SSO
- LMS
- Zoom & WebEx

### Compliance and Security

We leverage the latest technologies and standards to ensure your student data remains private and secure.

- End to end encryption
- Dedicated servers in the US and in Canada
- FERPA Compliant

## Request a FREE Demo!

Our mission is to empower people to share their knowledge with those who are keen to learn - wherever they are in the world. We strongly believe it takes a community to build a community and higher education institutions are the greatest environment to foster those beliefs.
