Edwards Business Systems Named  
"2021 Best Places to Work in PA"

(West Reading, PA) Edwards Business Systems (EBS) was recently named as one of the 2021 **Best Places to Work in PA**. This recognition is awarded by the *Central Penn Business Journal* and *Lehigh Valley Business* in partnership with the Pennsylvania Department of Community and Economic Development, Team PA Foundation, The Society for Human Resource Management (SHRM) – PA State Council and Best Companies Group.

"We are delighted with this award," said Nick Phillips, EBS Executive Vice President for Sales, Service and Logistics. "We have always valued our team members and have strived to build an organization to help them prosper and grow. We have found that when our employees are empowered and respected, they can better serve our clients."

This statewide survey and awards program was designed to identify, recognize, and honor the best places for employment in Pennsylvania, which not only benefits the commonwealth's economy, but also the workforces and businesses. The 2021 *Best Places to Work in PA* award list has 100 carefully selected companies on it.

Selected companies must meet the following eligibility requirements:

- At least 15 employees working in Pennsylvania
- A for-profit or not-for-profit business or government entity
- A publicly or privately held business
- A facility located in the Commonwealth of Pennsylvania
- In business a minimum of one year

Companies from across the state underwent a two-part process to determine the *Best Places to Work in PA*. The first part, worth 25% of the total score, consisted of evaluating each nominated company's workplace policies, practices, and demographics. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top companies and the final rankings.

Mr. Phillips continued “Each of our 135 employees gives their all to making EBS a great place to work. We are so proud of every one of them.”

Edwards Business Systems will be recognized and honored at the *Best Places to Work in PA* awards celebration will be held on Thursday, December 2, 2022. At that event, the final rankings will be announced and posted at CPBJ.com, LVB.com and BestPlacetoWorkinPA.com and published in a special section in *Central Penn Business Journal* and *Lehigh Valley Business*.
