### Edwards and Virginia Business Systems Named an Elite Dealer by *ENX Magazine*

Bethlehem, PA – Edwards Business Systems (EBS) of Pennsylvania and Virginia Business Systems (VBS) of Virginia have been named one of the country's **2018 Elite Dealers** by *ENX Magazine*. The award is presented annually by the publication to the top office equipment dealers in the U.S.

The 130-strong 2018 Elite Dealers were selected based on numerous criteria, including growth initiatives, innovative marketing programs, outstanding customer service, charitable contributions to the community, progressive workplace cultures and adaptability to an ever-changing market.

"We would like to congratulate our 2018 Elite Dealers, who continue to thrive and grow in a highly-competitive marketplace. Even as the needs of their clients continue to evolve, these dealers blend many 21st century tools and tactics with old-fashioned customer service—backed by a loyal workforce—to ensure successful outcomes," said Susan Neimes, managing editor of ENX Magazine and ENX The Week In Imaging.

Erik Cagle, editorial director of ENX Magazine added, "The strength and vitality of this group is a testament to their core values. It seems that every year, as the industry continues to consolidate, our roster of Elite Dealers continues to grow by leaps and bounds. There are many fascinating success stories to be told."

**Edwards Business Systems and Virginia Business Systems** have been named Elite Dealers for the last 19 years. Proud of their achievement, Ray Fuentes, President of Edwards Business Systems said, "Our companies have continually been at the forefront of developing cost effective, efficient, quality solutions for our client's document management needs. Jim Dotter, President of Virginia Business Systems continued, "This award could only have been possible through the commitment of our team. Our employees continually strive to deliver the best in quality, technical support and dedication to our clients."

This year's Elite Dealer honorees encompass dealerships with revenues of less than \$5 million a year to those with revenues of more than \$50 million.
