Edwards Business Systems
Named an Elite Dealer by **ENX Magazine**

Bethlehem, PA – Edwards Business Systems (EBS) of Pennsylvania has been named one of the country's **Elite Dealers** by *ENX Magazine* and ENX The Week in Imaging. The award is presented annually by the publication to the top office equipment dealers in the U.S. According to the managing editor, Susan Neimes, the prestigious 2021 Elite Dealer awards were selected from a record number of nominees. "We salute this year's cast of Elite Dealers, who continue to demonstrate an unwavering commitment to the customer and technical service excellence in the face of unprecedented challenges" said Ms. Neimes. "Each dealer has exhibited unparalleled resilience in continuing to adapt to the evolving needs of their customer base."

Edwards Business Systems has been named an Elite Dealer for the last 24 years. Proud of this achievement, Nick Phillips, Executive Vice President of EBS said, "Our companies have continually been at the forefront of developing cost effective, efficient, quality office solutions for our client's document management needs. But this year, in addition to exceeding our client's needs, we are also mindful of preserving internal jobs, fomenting a family-based culture, and pivoting through this difficult environment. Our people are the face of the organization, and they have gone above and beyond during the challenges presented. It is a testament to their teamwork and unity that we have been awarded the Elite Dealer designation."

This year's Elite Dealer honorees encompass dealerships with revenues of less than \$5 million a year to those with revenues of more than \$50 million. Elite Dealers are the entrepreneurs, innovators, top sellers, and celebrated members of the communities in which they work and provide office technology, software, and services to businesses and organizations of all sizes. Top dealers also do a substantial job of donating time and money to their local and national charitable organizations and causes, have a nurturing work culture, treat their employees well and offer innovative marketing programs.
