

Laboratory Experience and Expertise

Our team has decades of experience when it comes to delivering accurate building documentation for laboratory buildings. **We've had the privilege to work on some of the most challenging and high profile lab projects in the United States**, and we know what's required to get the job done right. Below is a selection of relevant projects we have measured and modeled in recent years.

1. **The Howard Hughes Medical Institute**, Chevy Chase, Maryland
2. **Tufts University Medical Center**, Boston, Massachusetts
3. **Wellesley College Science Center Building**, Wellesley, Massachusetts
4. **Ginko Bioworks**, 27 Drydock Avenue Boston, Massachusetts
5. **New York University Langone Medical Research Center**, New York, New York
6. **Genzyme Pharmaceuticals**, Cambridge, Massachusetts
7. **Sanofi Pharmaceuticals**, Cambridge, Massachusetts
8. **Stanford University Science Center**, Stanford, California
9. **United States Department of Agriculture Research Laboratory**, Boston, Massachusetts
10. **Tufts University School of Veterinary Research**, Grafton, Massachusetts
